

## May 31 is World No Tobacco Day

This yearly celebration informs the public on the dangers of using tobacco, the business practices of tobacco companies, what the World Health Organization (WHO) is doing to fight the tobacco epidemic, and what people around the world can do to claim their right to health and healthy living and protect future generations.

Visit <https://www.who.int/campaigns/world-no-tobacco-day> for more information on this year's theme and activities.
